

Take Control of Your Aircraft's Maintenance

We have all seen the humorous aircraft maintenance write-ups by the pilot and the even more humorous sign-offs by the maintenance personnel. Can you explain the problem to the mechanic, or will the mechanic be left to diagnose a sometimes intermittent problem? A few minutes explaining the situation might save you hundreds of dollars in repair costs.

Directions: FAA Forum Tent D

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
